Ketanji Brown Jackson nominated to the Supreme Court!

“The advancement of Black people into positions of power traditionally held by white people is a threat to white supremacy.”

“It was said of Justice Thurgood Marshall that, ‘He would tell us things that we knew but would rather forget; and he told us much that we did not know due to the limitations of our own experience.’”

“...she (KBJ) has the potential to widen the perspective of how issues are debated. ... This is how change begins – by destabilizing comfortable narratives, with the inclusion of those who have not been seen.”

“...she will be confirmed. And something on the court, and in our expectations of it, will change.”

-Sherrilyn A. Ifill, Director-Counsel of the NAACP Legal Defense and Educational Fund
